# TEAM SPIRIT

**Team Spirit:** Be ready to show your team spirit. Team spirit signs are certainly welcome and encouraged. Let's prepare to show our So Cal Spirit.

**Coachella** is an annual music festival held at the Empire Polo Club in Indio, California, featuring music on multiple stages. The Coachella Valley Music and Arts Festival began in October 1999 as a two-day festival.

As you dress for the celebration, think of past music festivals and the creative and fashionable conscious ways attendees dress for this event.

**Attire and costume Guidelines:** While we encourage creativity, we value safety and good judgment. Attire is subject to Greystar guidelines and should not be obstructive or offensive. And should be in good taste. Think “Could I wear this to the office”?

Teams are encouraged to dress in themed attire; however, it is not required. Please note, attire is not reimbursable.
